TERRY’S TIDBITS

Over the past few weeks our membership has had a good many losses in our families, surgeries within our membership and families. It is at a time like this we need the prayers we have to offer for one another. The power of prayer should not be take for granted. We need the fervent, effectual prayers of righteous and godly people. We need to pray not only for the sick and infirm but for one another. We are to pray for the will of God to be done. We need to pray for comfort for those who have lost loved ones. We need to pray for healing for those who are ill. We need to pray for wisdom and strength. We need to pray for revival. We need prayers of thanksgiving, supplication and intercessions. We need to pray for our nation. We must pray for the peace of Jerusalem. We need to ask God to heal our land. We must turn from our wicked ways. We must seek the face of God. One writer said, "Man is at his highest when upon his knees in prayer.

Would you join me today to commit to pray during each noon hour this week. Do this at home or at work. Take the time to pray.

Bro. Terry
