The LORD thy God in the midst of thee is mighty; he will save, he will rejoice over thee with joy; he will rest in his love, he will joy over thee with singing. — Zephaniah 3:17

TERRY'S TIDBITS
Each week I sit in front of a computer and start to write. Each week I think of all God has done since the last article. I count my blessings. I think about the families in our church and wonder how was their week. Some have gone to the doctor, others started a new year of school, and others received good news about a job or children. Each week the emotions vary. But each week no matter what, God lets himself be known. He comforts a heart. He gives wisdom to someone who asked. He calms a storm. He rushes to the rescue. He simply directs our heart to help another. He leads us to a passage that fills our soul with praise. Whatever we need, He meets the need. So let us take the time today to worship, say thank you, or just praise His name.

When we start a new week let us remember last week. Let us anticipate God. Let us ask God to help. Let us help another find God.

Bro.Terry
