## TERRY'S TIDBITS

Each week we assemble to worship. This means we focus on God and His Son through the power of the Holy Spirit. We sing, fellowship, pray and listen to the Word. This is done so we can give glory to God. Glory implies His manifestation among us. This enables us to know His presence. We offer praise and thanksgiving which is a sweet smelling savor of sacrifice to Him. Our submission to His will by faith pleases God. Faith alone gives glory to God. Works produced by that faith show the world the impact God has on our lives. So when we come to worship let us seek the will of the Father. Let us clear our minds and honor Him for all He is and what He does for us each week.

Each week we need to take the time to invite someone we know to be in our services. When we reach out with the gospel then we fulfill the Great Commission. When we love others as we should then we fulfill the Great Commandment. Telling others and living before them the truth of the gospel enables us to please God as we live by faith.

Bro. Terry
