TERRY'S TIDBITS

What a joy it is to be back in services today. This is the first time in my years of being a pastor that two weeks in a row have been hindered because of snow and ice. So for me it is wonderful to be here, and to be able to have fellowship once again with everyone. I am thankful for the technology that allowed us to have services online, but it is not quite the same. It will be wonderful to sing the songs and enjoy our time together.

Please remember to keep one another in prayer. Also remember we have missed two weeks in offerings, so give generously so we will not fall behind. Thanks to all who worked on the parking lot and made it possible to be here. As of Tuesday the sidewalk was a sheet of ice. So these men worked hard and made our arrival safe.

The shepherd loves his flock.

Bro. Terry
