TERRY'S TIDBITS

God added to our church family once again this week. We need to be sure and rejoice because another child of God will follow the Lord in baptism. This simple reminder each time we immerse a child of God in the waters of baptism; that our salvation is because of Christ. We should also be reminded that we are to walk worthy in our Christian walk. The world watches a child of God. Satan seeks to destroy, but our Lord will give the grace we need to move forward.

Please continue to ask God to touch the hearts of people. We have a number that seem to be under conviction about their actions concerning baptism and church membership. It matters to God that we all be a part of His church.

Friday was the life celebration of Dr. Robert Ashcraft. He was a child of God. He was a husband and father. He was a student of the Word of God. He was a noted historian and author. He was committed to the work of the American Baptist Association. He was a faithful church member. He will be missed in our work. Continue to pray for the family.

Bro. Terry
