TERRY'S TIDBITS

Welcome to the first Sunday of 2024. Think what a joy it is to live in a country where you can worship God without the interference of the government. Think what a joy it is to worship God in Spirit and truth. Think what a joy it is to set beside a family member to worship. Think what a joy it is to be able to sing hymns that praise God. Think what a joy it is to hear a message from the Bible and know the power of God in our lives. All these things are not to be taken for granted. Many will not be able to worship today without fear. Many will not be able to worship without danger. So let us be grateful.

Each week when we meet to worship we have a wonderful honor. We are able to come before God and confess our sins knowing we will be forgiven. We can adore the Father, Son and Holy Spirit. We can pray and sing. We can say Amen. We can say praise the Lord. All of this can be done without the fear of being put in jail or worse.

Let us thank God for being able to preach, pray and sing.

Bro. Terry
