TERRY'S TIDBITS

July means we are half way through the year. So, I spend some time in reflection of the past six months. I also look forward to the next six months. Just around the turn of the calendar is August. Last minute vacations loom, and finding those back to school sales. We are collecting Crayons to help those in need. Our teens and children ministries are planning back to school fellowships. So, this year we are planning a back to Sunday School and Church month in October. More about this as we draw closer to time. However, make this a matter of prayer.

In August we will also have our new member luncheon on the 24th. This event each year welcomes our new members and encourages us all to reach out to others who are not in church.

As these and other events loom ahead make time for prayer each week for the work of our church.

Bro.Terry
