Dear Church Family, I am so blessed by the love shown to me. Your cards, phone calls, the delicious food and most of all the precious prayers that were sent on my behalf to our Lord and Savior. I thank each one of you so much for this blessing you gave me. We never know when something debilitating can happen, one day you're fine and the next day you can barely walk and you don't know what you did to cause it. But I do know that you helped me through this time by all that you did for me and Terry. Thank you again and may our Lord bless each one of you.

Love, Elaine McClennahan

TERRY'S TIDBITS

Several items come to mind as I start this article. The year is half over. How did it go so fast. This means we still have 6 months to go. So how are you doing on your New Year's resolutions? Do we need to make different ones? As we start the second half of the year, what will be our goals? Next, as we approach the 4th of July let us not forget to be thankful for our freedoms. The liberty we have in Christ must not be forgotten either. Also, let me say thank you for a wonderful start to 2023. God continues to bless with additions to our church family, the finances of our church are sound, and the fellowship is good. Please continue to pray for our church and one another. Prayer encourages us all. We can seek and find the will of God through diligent prayer.

Last but not least is my hope for a continued vision for our church. We are working on the new lights. We hope to have plans soon for our bathroom remodel. These two projects will have our attention for the next few months. Please continue to invite your friends and neighbors to our services.

Bro. Terry
