Dear Spring Creek Church Family

I want to thank you all for your many prayers, cards, calls & texts, and also the wonderful food that some of you provided during my surgery and recovery. Your continued prayers are asked for as my recovery continues. There is nothing better in this world than to be a part of a loving God fearing church family. Thank you all once again.

*In Christian Love, Drew Patterson*

### Golden Hearts Trip-Mountain View

**October 17th-18th** Rooms for this trip are all filled for the Inn at Mountain View. However, there is a waiting list and if enough are interested in going, they can stay at the other Bed & Breakfast. Please let Martha Jean know if you would like to be on the waiting list.

There are still some dishes/bowls left from meals in Fellowship Hall. They are on the counter by Children's Hall.

Why are so many old hymns still popular to this day? Are they merely being kept around by believers holding to tradition? As society and technology advances, shouldn't the new dethrone the old?

Music has a way of penetrating the soul, each type of song having its purpose. Love songs help us express how we feel about someone, up-beat songs push us along when we exercise. But a hymn's purpose is that of light; God's Word in the form of a song.

In dark times, whether it be the personal darkness of losing a loved one or the shared darkness of difficult times, hymns remind us that faith in God conquers all, no matter how quickly the world around us changes. They serve as a reminder of His mercy and grace, an enduring beacon to keep darkness at bay.

Hymns are not being lugged across time by believers holding to tradition. Rather it is the hymns that are holding us up, providing light as we navigate the narrow path.

Bro. Marque
