TERRY'S TIDBITS

As the bulletin is printed I am still in Spokane. This week has been spent helping with our American Baptist Association. We are a group of independent local churches seeking to work together for missions and literature. Our work depends on our churches supporting this joint effort. The ABA has no power over any church. The work is voluntary. This makes our work very unique. Please continue to pray for the ABA and its efforts to promote the gospel.

Soon we will have plans to present to Spring Creek to expand our bathroom facilities. This work needs to be done so we can better serve our church. These plans will be made available and we will vote to continue. As of yet we have no cost to give you. When we do, you will be given all the information. Thank you for making this a matter of prayer.

Summer youth activities are upon us. Pray for our children's and youth ministries. Encourage them. Set the example for them.

Bro. Terry
