**TERRY'S TIDBITS**

Thank you for a few days away. Sandy and I enjoyed a short trip to north Arkansas. However, it is good to be home.

As we gather to worship today, let us give thanks for our fellowship. The ability to be in our classes and to gather for worship must inspire our hearts. Live worship with real people encourages us to be thankful. The joy of sharing prayer requests. The pleasure of what has gone on in our week helps us realize the need we have for one another. Take the time this week to share a blessing or a praise. Take the time to listen to a story or incident in one another's life. Take the time to greet a child and ask about their week. Share a funny story with each other. All of these may seem like small things, but they help us understand one another.

Please pray for the youth that travel to Family Farm this week.

Bro. Terry
