### TERRY'S TIDBITS

Each week we draw closer to Easter. Our minds should be focused on the cross of Christ. Our eyes should be directed to the love that held Jesus to that cross. The portrait of His suffering should comfort our hearts that we did not have to pay that price. Jesus did this for us. No matter the trauma of the cross, nothing outshines the glory of the dawn of the first day of the week. The angels sat on the stone, and told the women that Jesus was not there. He had risen from the grave. The soldiers stood still and the women ran back to the upper room. Mary stayed and was the first to see Jesus. What a morning that must have been.

What a day it is every year when we are able to celebrate His resurrection. How do you prepare each year? Do you spend time in a prayer of thanksgiving? Do you rejoice that your sins have been paid for in full? Do you share the power of the cross, and the joy of the resurrection with a friend? Do you take the time to remember the price Jesus paid for us all? Do you sing a hymn that reminds you of His grace?

Let us all take the time to prepare for worship on Easter!!

Bro. Terry
