TERRY'S TIDBITS

Giving thanks each November remains a good habit. This past Sunday we had three new members unite with our church. Welcome to them all. Giving thanks for the blessings of God encourages each one of us. We also had two young people have the courage to make their hearts right with God. The music and message encouraged us all. Guests were present and God provided for us all. Please make your plans to be in our Thanksgiving fellowship on November 21 at 6:30. Sign up to help with the food and bring a friend or family member with you.

Our budget committee has met and will be handing out the 2024 budget soon. Please read over it because we will vote on it in December. Thanks to the committee for their work.

Have you stopped and counted your blessings this year? Some have had a hard year, others a good year, but God has allowed us all to be blessed. Take the time to remember, reflect, recover and realize all God has done for each of us. Take the time to pray for or encourage one another.

Let us give thanks for all we have.

Bro. Terry
