### TERRY'S TIDBITS

Challenges abound in our world. For a child of God, one of the challenges is a daily walk with God. We are told that our lives are like a long distance race. We are to run the race set before us. The race we have faces challenges each day. We are challenged as we desire to serve God with all our heart. The adversary seeks to devour our lives. He seeks to weaken our commitment. The adversary seeks to intimidate our prayer lives. He rises to cause us to think that God does not hear. He discourages us with futile things. We need to grow in grace and knowledge. We need to produce the fruit of the spirit. We need to plant beside the rivers of life so we may produce good works, and display our faith; however the adversary seems to present to influence us. So the race seems to be over the trail of potholes. We must avoid them.

What we need is a clear vision of how God will oversee the race. He will whisper in our hearts the reality of His love. He will open our eyes to see. He will give us ears to hear. He will expand our heart. Run well!

Bro. Terry
