TERRY'S TIDBITS

November brings to our minds the changes in color of the leaves. It completes the time of harvest. We will have the winds of late autumn that will create the piles of leaves and smell of them burning. We come to the time of Thanksgiving. Fall brings us closer to the end of another year. We have seen the blessings of God. So we will want to finish the year with joy in our hearts. We will want to take the time to contemplate forgiveness, compassion and gentleness. So take the time this week to invite a friend to sit with you in church. Encourage someone who has a difficult year. Pray for one another. All these things enable us to move forward.

This is the time of year to reflect and ask some questions. How can I serve God better? Can I improve my heart and have a kinder spirit? Can I bring joy into another's life? So many other questions could be asked.

Spiritual growth comes in small increments. So take the time to assess your growth this year. Let us seek to do better and have a thankful heart.

Bro. Terry
