### **TERRY'S TIDBITS**

The joy of children singing in our services should thrill every heart. The joy of a choir in each service should lift our praise to another level. The joy of specials by people who use their talents for the Lord should encourage each one. My how wonderful it is to have a church that loves to sing. When we lift our voices in whatever form our praise will provide our hearts with strength and adoration.

Each week we assemble to worship and give praise to our Lord and Savior. We should repent of our sins. We should seek the will of the Lord. We should participate in the singing. We should listen to the message. We should consider in our hearts the truths of the Bible. We should seek to pray for one another. We should be a source of encouragement to one another. We should bear each others burdens by helping and supporting one another. All of this is how a church body functions. Each person has a key role. Some teach or sing. Some pray or give. Some encourage. All of us can serve God in areas in which He has given us talents.

Take the time this week to ponder these things. Take the time to pray for our services. Take the time to invite a friend.

Bro. Terry
