TERRY'S TIDBITS

The month of September has arrived. We anticipate harvest. All Spring and Summer we have seen things planted, watered and anticipated. Now we come to the time of the harvest. What we have sown, now we can reap. This month I will deal with this from a spiritual standpoint as well. We are born, we live and then we face eternity. Death rarely serves as a dynamic or wonderful conversation starter. Yet we all know what harm and hurt it brings. So what does the Bible say? How are we to view it? Can we grieve? Why do some die young? Why do the evil ones live so long?

What can we do about death? Why do we spend so much energy and time to stop it from happening? What is the solution?

Over the next few weeks I will seek to answer many of these questions. Make this a matter of prayer. Bring a friend. Help someone who is experiencing the trauma of death with their families.

Bro.Terry
