Sunday School Classes

It was brought to my attention that when a SS Class has a death in their class, they may be interested in helping the Benevolence Committee with food for the family meal & help serve the meal. This is not required, but if any in the class are interested & not already helping with the meal, please contact me to discuss what your class can do. If the class would appoint someone as contact person that would be nice. This is a very loving way to support the family at their time of loss. Thank you for considering this opportunity to help. TERRY'S TIDBITS

God blessed in our services this week. We added one by letter and one by baptism. We will have that baptism this morning. Thanks to the Lord and thanks to all who keep being faithful. Thanks for inviting your friends and neighbors to our services. Continue to do so and pray for our Revival that starts Monday and goes through Friday. Please invite those friends to be in these services as well.

Please remember the special offering on Wednesday and Friday to help with the Revival. Your generous offerings will be a source of encouragement.

Each week we enjoy wonderful music. We hear specials from our members. We enjoy the dynamic choir and all the hard work they give to help our services. We enjoy Brother Marque and all the work he does to coordinate the choir, the media and the sound. Please pray for this part of our worship. It takes massive amounts of time and effort. Brother Marque and all the musicians and choirs inspire us all. They will inspire us this week.

The joy of worship comes when our hearts are right with God and with one another.

Bro. Terry
