Terry's Tidbits

We continue to reach out with our online Facebook live service each Sunday morning and Wednesday night. I am thankful so many of you are listening. We are averaging about 800 devices tuning in for the Sunday services and about 400 for the Wednesday night. We have no way to know the number of people on the log in from each device.

Thank you to our church family for your continued faithful giving and prayers. Our giving continues to meet budget each week and for the month. I am grateful and pleased with each one who contributes so generously and faithfully. Your love for God and His church can be seen.

The deacons and staff will meet on April 29 at 9:30 for the purpose of making decisions about re-opening our services. We will send out e-mails and post on Facebook what our decisions will be. We are seeking to keep the church informed and up to date on events and schedules.

Please continue to pray one for another about those who are ill and facing surgery. Also for our country in this difficult time.

Take the time to check on someone this week as well.

Bro. Terry
