## **TERRY'S TIDBITS**

My what wonderful blessings God continues to send our way. We give thanks for the new families that have joined our church. We give thanks for those who have been able to return from the covid and we give thanks for the members who are here each week. We give thanks for the guests we continue to have and for those who continue to invite friends and neighbors to be a part of Spring Creek.

Today, we celebrate the resurrection. Last year, we remember not being here and the hole it left in our hearts. Let us then rejoice that we are able to be present and worship this day.

We will receive our Special Easter offering today for the building and growth fund. Let us give generously to this. We have been able to pay for many things we have done recently out of this fund. Because you give so generously, this has saved us much money because we have not had to borrow. You are to be commended for this and for your vision into the future as we continue to update our facilities and technology.

God bless you all.

Bro. Terry
