Terry's Tidbits

Let me say thank you for allowing me to be a part of the revival service at Centerpoint MBC in Hazen. We had one saved and a wonderful week of singing and fellowship.

Each week our world seems a little more upside down. The unusual and evil things reported by the media keeps our hearts upside down. Stability seems to be very much needed. A reminder for us all is the stable and consistent love of God. The fellowship of his people will help keep the lines in our world in bounds. Take the time this week to overcome the fears real and imagined so that you can be in our services. When we return to the act of loving God enough to be in his house and worship Him as we should many things will stabilize for us.

We need to find the time this week to pray. Pray for one another. Pray for our country and this upcoming election. We need some decisions by believers and participation by them so that the morals and ethics of our nation remain consistent with Biblical morality. Do these things matter. Yes, they do. Make it a matter of prayer.

Bro. Terry
