**Terry's Tidbits**

July turns to August and here we are in the last month of summer. August means school. August means football comes back. August means vacations are coming to a close. August means the choir starts preparing for Christmas. August means we need to start our return to Spring Creek with a Fall Roundup.

Our crisis has impacted our church attendance. However, for those who are ill and have conditions, we understand. For those without those, it is time to return to church. We have taken proper precautions with cleaning and with masks and hand sanitizer. We ask that you wear the masks in and out. However, assembly as a church increases the impact of the role of God in our lives. We are to not forsake the assembling together. Hebrews 10:25 We are to come with a heart prepared to worship.

We want to have a "Back to School Sunday" on August 23, 2020. We want our children, school workers and teachers to be sure and be here. We will have a special prayer for them as the year starts. We want to set the proper example for our children. It is important to teach them respect for the law. Yet more important is to teach them to love and obey God.

Bro. Terry
