**Terry's Tidbits**

Glimmers of hope on the horizon comfort hearts and increase the desire to worship the Lord in the fellowship of His church. School starts Monday and we will have special prayers for the students, teachers and workers at every level of our schools. We want to ask God for protection and safety. We seek God to touch the lives of our school personnel and help them be the best at the respective positions. We seek God to help the students to learn, adapt and be a witness to their classes. We pray for those who take their children to school each day for safety and protection.

With the return to school, we desire to set the goal for return to the Sunday School and Children's programs for our church. Our goal is for Sunday School to start on September 13. We will need teachers for the children's department and for the chapel service during our worship hour. We will need helpers for each class and we will need help for Sunday Night and Wednesday night programs as well. The adults will meet in the Fellowship Hall and will have joint classes using the Adult Quarterly. We hope to encourage you to be a part of the adult learning as we start fresh.

Men's Bible Study will start on September 10, Thursday at 12-1. We will continue in Hebrews.

Make all this a matter of prayer and participation. We need each one present and pray for our growth and outreach.

Bro. Terry
