TERRY'S TIDBITS

Each week we see more and more people returning. Please encourage this among yourselves. Once again let me say that caution is good, but fear is not. Be cautious when you need to be.
Please watch the weather this time of year. We will send out e-mails and texts when we need to cancel because of weather. This always presents a dilemma, but please err on the side of caution. No one service is worth an accident or an injury. Use your good old common sense, please.
With all this said, please continue to pray each week for one another. So many seem to be fighting colds and flu and Covid. Be safe.
Please continue to support our choir, our youth and every part of our church.
Thanks to all of our teachers, volunteers, workers, chapel workers and others who are so faithful. Your dedication enables us to serve our church and reach our area with the gospel.
Make sure you take the time to greet our guests each week.
Bro. Terry
