Project Complete

The **Decorating Committee** would like to report that the **Office/Study Project** is complete. We came in \$1500 under budget. There is no way we could have completed this project and come in under budget if it were not for the awesome volunteers. We fought COVID, quarantines, and two holidays. It took longer than we wanted it to, but it is finished! We want to thank the Church for trusting us with this project and allowing us the freedom to make decisions and spend the funds we needed.

Thank you, **Bro. Terry**, for trusting us with your books, being understanding of all the noise and construction that took place while you were trying to work. **Bro. Marque** and **Sis. Peggy** suffered through like troopers as well.

Thank you to **Gene Bagwell** for his magic in turning the dark, dreary walls into light and inviting walls. He spent hours patching, texturing and painting.

Thank you to **Bro. Stan Sharp** for countless hours of labor, putting up with our requests and for helping make our ideas reality.

Thanks to **Bro. Ron Matlock** for helping with the shelves and the wall. A big thank you to our floor crew for a great job; **Bro. Coy Hartsell**, **Bro. Jim Welch**, **Bro. Tommy Pevytoe** and **Bro. Tommy Wright** for ripping up the old carpet and installing new laminate flooring.

As chairman of the committee, thank you to **Sis. Roseanne Fisher** and **Sis. Debbie Matlock** for their hours of labor and decorating ability. In the middle of this, they helped with decorating, taking down, and putting away the decorations for Thanksgiving and Christmas. We pray that the Church and our Pastor will use and enjoy these remodeled space for years to come.

May God Bless this Church in a mighty way!

Sis. Sandy Sharp

TERRY'S TIDBITS

Our lives change suddenly. An illness, a death, loss of a job or even in good ways, like a promotion or a raise or even a new child or grandchild. All of these changes require more faith. Our faith must grow so we can adapt to the changes. Our faith stabilizes us. Our faith sustains us. The object of our faith is Jesus Christ. Without Christ we do not have what we need to survive.

One of the purposes of church is to help one another with our growth in faith. Our fellowship, prayers, support, and love enables each one to stronger than if we are alone. Let us remember each week when we pray, give, encourage and strengthen how it helps someone else. This is why we need to participate in every aspect of church life.

This Monday, I have to have a dental procedure. I will be out of commission on Monday and Tuesday. The dentist says if everything goes right I should be back to business on Wednesday. I just wanted you all to know.

Bro. Terry
