TERRY'S TIDBITS

As the New Year continues we face many challenges and changes. We need as a church to be aware of these and to move forward in dealing with them. One of the challenges is return to church service for many of our people. As the vaccinations continue and people have them, I want to encourage your return to church services. We need to see this return grow on a weekly basis. We are doing all we can to keep people safe. Another is in the way of a challenge as well as a thank you. Our offerings continue to support the budget each week. We need to keep this up so we can meet our needs. One of the challenges before us is to keep a positive spirit and motivation for continued outreach. We need to start inviting people back to church. Those who are in our community need to know we care about them spiritually.

Changes come with the addition of new members and the return of people. We want to change in the right way. Our love for God and desire to see people come to the Lord and serve Him will remain the same.

We need to embrace the challenge of a return to Sunday School for all ages by the First Sunday in March. Make this a matter of prayer. We should be at a point that this will be possible by then.

Bro. Terry
