TERRY'S TIDBITS

Most of us blew a long sigh of relief at the passing of 2020. Many memories were made and some were not so good. But many were made that were blessings from God. So let us forget what is behind and press forward for the mark of the high calling in Christ Jesus. Let us ask God for wisdom for a New Year. Let us seek to serve Him more. Let us strive to tell a friend about Jesus. Let us show our friends how Jesus can change their lives. Let us seek to pray more. Read our Bible more and be more faithful toward God and others.

Each day we have to get up and move forward. Each day we must seek to find God and do His will. Each week we need to be in worship and rekindle that closer walk we talk about each year.

Set some personal spiritual goals as well as physical and fiscal goals. Set some small goals that are reachable and some goals that require a large amount of faith. Ask God for the wisdom to reach them. Share the with others and ask to be held accountable for them.

Take the time to prayer, search the Scripture and be an encourager.

Bro. Terry
