TERRY'S TIDBITS

When I was a boy we played hide and seek. When we could not find everyone we cried out that all could come in free. The time has come for me to cry out that all can come back to church. We will still need to be cautious about flu and other ailments, but it is time for all to come back to live services. We will continue to live stream. But if you can go and do other activities in the community then you can come to church. This is written with much consideration for those who have susceptibility to the colds and flu of the winter. But for those who are healthy it is time.

Worship consists of participation in an assembly. The word for church carries the idea of assembly. You can be careful, but participate in live worship, singing, prayer and listening to the preaching of the Word. Joint participation comes from the word for fellowship. The fellowship of the saints defines what church is and should be.

Take the time to be in your place. With our balcony open we have plenty of room.

Bro. Terry
