### **TERRY'S TIDBITS**

A little sleet, cold and snow, so we started a little slow. What a change we saw in the weather over the weekend. In spite of all the obstacles we were able to have services and enjoyed first time guests in both services. Thanks to all of you who protected yourself this week as well. Some need to use caution, I am glad you did. It will be nice to see you back this week.

Tonight is Youth night so make sure you are here to support our young people.

It seems as if we have an abundance of colds and flu at this time. Be careful and cautious for the benefit of others.

Please be in prayer for Bro. Marque this week as he goes back to Vanderbilt Med Center for his surgery. We have others with surgery this week as well. Thank you for praying for them all.

Please encourage others to come and be a part of our church worship each week. When we invite others they will come.
