TERRY'S TIDBITS

Today we meet to worship in a nation that gives us freedom of religion. This has not always been the case for Baptist churches. Throughout history we have been a people who were persecuted and often had to hide to worship. Our forefathers in France literally worshipped in caves whose entrance was hidden and whose exit was in a different place. We have enjoyed the freedoms found in the United States and we have been blessed of God. Our churches have grown. We have done our best to continue to reach the lost. We have expanded our mission work. We have printed literature, books and tracts. We have started ministries to help children and the homeless. We have sought to proclaim the gospel. We have college ministries and those to nursing homes. Wherever we have gone we have preached Christ and Him crucified.

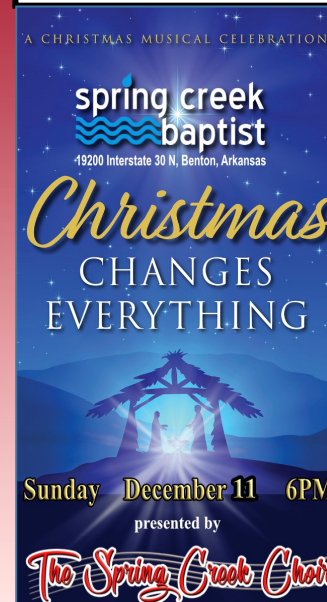

So, on this weekend that we celebrate our independence let us also worship our God. Let us thank God for the freedoms we have. Let us insure to the best of our ability to protect and defend those freedoms. Let us teach our children about those freedoms and remind them of how precious they are. Let us remind our children of the grace and power of God.

Bro. Terry
