Terry's Tidbits

A simple thank you does not express my heartfelt gratitude for being able to be gone last week. The funeral of my uncle presented an opportunity to preach the gospel to family and friends. We celebrated his life. Thank you for understanding my need to be in that service and be a nephew and cousin.

Each week we have seemed to increase in our worship attendance. Please continue to be faithful as we rise to the place of our church being back. We need the joy and fellowship of assembly. The very word church comes from a Greek term that means assembly. We cannot be a church if we do not assemble. The fellowship comes when we know each other and how to bear our burdens and how to pray for and how to encourage one another. Hebrews 10:25 admonishes us not to forsake the assembling of ourselves together. The necessity of seeing one another, helping one another, and providing a visible love and presence remains essential.

Thanks to Clay for stepping up and filling in on short notice. Thanks to the staff for all their help as well.

Bro. Terry
