TERRY'S TIDBITS

Once again God blessed our church with a new family. We also asked Sister Linda Black to be our new Children's Director this past week. She has accepted the position and is already at work. Please pray for her. We want to continue to invite and encourage others to be a part of our services each week. Continue to make new members and guests welcome in our church. Reach out to those who are lost or out of church. Share the good news of Jesus with them. Shower them with love and concern for their problems. Pray for them each day.

This week will take a few moments and celebrate the fact we have satisfied our building note. It is paid in full and we have the paper work that says so. So we will burn that note today. Thank you to all who gave so generously to satisfy that debt.

Please make our church and its worship and ministries a matter of prayer each week. Bro. Terry
