### TERRY'S TIDBITS

Tonight we will gather in church capacity to celebrate the ordinance of the Lord's Supper. This event comes each quarter by vote of the church. We come together to see once more the symbol that tells us of the death, burial and resurrection of Jesus. We will see the unleavened bread and understand it to be the sinless body of our Lord. We will see the cup, the fruit of the vine, and understand it to be the sinless blood of our Savior shed for our sins. Both of these symbols are reminders. We realize that we have been born again. We know we have followed the Lord in scriptural baptism. This is the other ordinance. We know it follows rebirth. We know it is by immersion only. We know that it is a symbol of our death to sin, immersion into a watery grave, and that we rise to walk in newness of life. Both ordinances are symbolic. However, the Lord's Supper can be repeated as often as we do it in remembrance of our Lord. We need to realize that even though this is a symbol it is a necessary participation. It enhances our fellowship with Christ and one another. Take the time to pray about the service tonight and let us fill the building so we may worship our Lord.

Bro. Terry
