**Terry's Tidbits**

Challenging situations call for patience, endurance, kindness and generosity. Spring Creek Church seems to have all of these qualities. Over the past six weeks your continued support of the decisions made by the staff and deacons encourages. The generosity of your giving so we can continue every part of our ministry overwhelms. The faithful who continue to check on one another and pray for one another lifts us all upward. Your participation in the online messages provides a way for the gospel to continue to be proclaimed. Without each one doing their part a challenging time would become a difficult time. You have not allowed that to happen, so you are to be commended.

The deacons and I met April 29 and will hopefully have decisions about meeting again soon. When we come back we will start with worship services only. Please pray as we seek to do what is best for the church.

Thank you for all the comments about the new camera and the better sound with the online messages. We have a new camera and have put it to use after learning to operate it properly. Thank you to Rick Ferris and Bro. Marque Black for the hard work and dedication in this area. Stay focused and faithful.

Bro. Terry
