PRAISE/THANK YOU After a year and two months, my friend, Carol McCutcheon is in remission. After many treatments, surgery and a bad, bad chest burn from radiation she has been rightly blessed. She may have to take a maintenance drug, but small compared to the journey she has been on. God has been with her every step. She wanted to thank everyone for their prayers. Joan Mills

Terry's Tidbits

Our June schedule will be Sunday Morning, Sunday Night worship at regular times and Wednesday night Bible Study at regular time. Our building will be open for each of these services throughout the month of June. We will not have Sunday school or children's chapel. We will meet to worship without passing the offering plate, it will be at the doors to the sanctuary. We will have hand sanitizer and each week the custodians will have sanitized the restrooms. We will continue to sit every other pew and we ask you wear masks coming in and going out. We will do our best not to gather in the foyer, but outside. We will continue to dismiss out separate doors.

Let me encourage you to come if you are comfortable coming. We will continue the live streaming services. If you would be interested in running the camera for these services, please see me or Bro. Marque for details.

Please continue to give generously. So far we have meet budget each week. But it is easy to forget about this when not coming to the building on a regular basis. Please invite a friend to be a part of our services each week. We do not want to forget our outreach with the gospel.

Bro. Terry
