ATTENTION:

Those of you who come to the office from the sidewalk, will need to knock or use the door bell on the outside.

A "TONE" will sound.

That tone is to let you know that we have unlocked the door for you to come in.

If you have a key, when someone is at the

Secretary's desk, your key will not work if the switch is on.

If after office hours or lunch time, it will work.

This is for the security of the office & office staff.

TERRY'S TIDBITS

November brings Thanksgiving into our hearts and minds. Let me challenge us all this month to make a list of the blessings we have. Take each week and list those things we are thankful for by family, church, work, and in our community. I think you will be amazed at all that God has provided to each of us.

Do not forget to sign up for the Thanksgiving Fellowship. We want to be certain that we have enough for each one and our guests as well. Take the time to be here and bring someone with you as well.

Bro. Marque has had another stay in the hospital this week. He had to have another tracheostomy to help with some repair needed for his breathing. Please continue to pray for him and Linda in this difficult time.

Over the next few weeks, we will have many activities around the holidays. Do not forget to be faithful to church, prayers, and Bible Study. Our spiritual growth comes with a regular discipleship of life. Make it a priority in your life.

Please pray for our church and for one another.

Bro. Terry
