TERRY'S TIDBITS

Labor Day ends the summer vacation season. It starts the time for a Fall Roundup for our Sunday School and Worship. We need to look around and check our rolls and see who has been absent over the summer. I am asking each one to help their teachers and secretaries contact those who are missing. We need to have 235 in Sunday School at least once in September and we need to average that in October. We want every person on roll to have a perfect next 8 Sundays. We want to reach the most people we can. We want to do the same for worship. It would be great to average 325 in worship through the end of October. This depends on each one of us being as faithful as we can. Let us have a good Fall Roundup.

We have a number of members having surgeries this past week. Take the time to pray for them. Check on them. Let them know we care as a church. This is fellowship in action. Pray for our services each week.

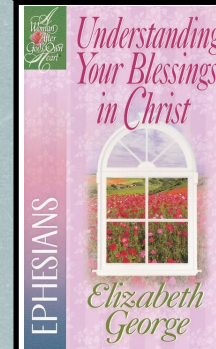

Bro. Terry
