## TERRY'S TIDBITS

Once again we have reached the month of September. The autumn season will be here by the end of the month. Fall represents harvest. All the work of the Spring and Summer now comes to fruition. On the farm it brought excitement and fresh fruit, vegetables and money. In the service of the Lord it represents a new church year. It stands for a return to routine. The labor and activity of the Spring and Summer bring their results.

So, a question for us is how many seeds did we plant and water in our spiritual garden? Can we expect the fruit of the spirit to produce abundantly because we have spent time with the Lord? Has our prayer lives been focused on the will of God and not self? Have we loved the ones in our lives that are hard to love, so we can show them the love of Christ? What will we harvest because of our labor for the Lord? Can we expect a large harvest? Can we anticipate the harvest sent by the Lord? Please think on these things this week. Ask yourself how large is my spiritual garden?

Bro. Terry
